★ Attention ★

I hereby assign payment directly to Guadalupe Regional Medical Group (Guadalupe Urology) for medical and/or surgical benefits, if any, otherwise payable to me for services provided at the clinic (not to exceed my indebtedness to the clinic for those services). I understand that I am financially responsible for charges not covered by my insurance.

Please be aware that we require 72 hours from the time of initial notification to call in refills of medicines to your pharmacy.

An administration charge of \$35.00 will be applicable for all letters and forms needed to be completed by the physician. This payment must be made at initial request or drop-off of paperwork.

We ask your permission to obtain formulary information and information about other prescriptions prescribed by other providers using RxHub. Consent would allow us to:

- 1) Determine the pharmacy benefits and drug copays for a patient's participating health plan.
- 2) Check whether a prescribed medication is covered (in formulary) under a patient's health plan.
- 3) Display therapeutic alternatives with preference rank within a drug class for non-formulary medications.
- 4) Determine if a patient's health plan allows electronic prescribing to Mail Order pharmacies.
- 5) Download a historic list of all medications prescribed for a patient by any provider.

Financial & Office Policy

Thank you for choosing Guadalupe Urology and Dr. Robert Ryan as your provider of urological services. We are committed to providing you with quality and affordable health care. The following outlines our financial and office policies. Please read it, and feel free to ask us any questions.

1. Insurance. We participate in many insurance plans, including Medicare. If you are not insured by a plan we do business with or do not have insurance, payment in full is expected at each visit. If you are insured by a plan we do business with, but don't have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. Understanding your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.

2. Co-payments and deductibles. All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.

3. Non-covered services. Please be aware that some – and perhaps all – of the services you receive may be non-covered or not considered reasonable or necessary by Medicare or other insurers. You must pay for these services in full at the time of visit.

4. Proof of insurance. All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your driver's license and current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information, you may be responsible for the balance of a claim.

5. Claims submission. We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.

6. Coverage changes. If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits.

7. Nonpayment. If your account is over 60 days past due, you will receive a letter stating that you have 10 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency and you and your immediate family members may be discharged from this practice. If this is to occur, you will be notified by regular and certified mail that you have 30 days to find alternative medical care. During that 30-day period, our physician will only be able to treat you on an emergency basis.

8. Missed appointments. Please help us to serve you better by keeping your regularly scheduled appointment.

9. Late appointments. Please call if you are going to be late for your appointment. If you are more than 15 minutes late we may have to reschedule.

10. Minors. A minor must be accompanied by a guarantor for his or her account (the parent or guardian of the minor or other adult accompanying the minor during each visit). An unaccompanied minor will be denied non-emergency treatment unless charges have been pre-authorized to an approved credit plan or insurance plan.

Our practice is committed to providing the best treatment to our patients. Our prices are representative of the usual and customary charges for our area.

Thank you for understanding these policies. Please let us know if you have any questions or concerns.

I have read and understand the financial policy and agree to abide by its guidelines:
